

# Queenstown Airport's Top 5 Summer Travel Tips

1) **MAKE A LIST AND CHECK IT TWICE:** Make a travel list for you and your family to ensure you don't forget anything.

2) **AIRPORT DROP-OFFS/PICKUPS & PARKING OPTIONS:** Consider your transport options to the airport.

**BUS TO FLY:** Leave the car at home this summer and use Orbus. The new \$2 buses run to and from Queenstown Airport regularly from 6.00am until midnight and pull-up right outside the terminal.

**DROP-OFFS:** Bribe a friend or family member to drop you off at the airport in the free 2-minute (P2) public drop-off zone.

**FREE 20 MINUTE PARKING:** Free 20-minute public pick-up and drop-off parking is available in the terminal car park.

**TERMINAL PARKING:** Don't forget that you can now Tap 'n' Go (pay by credit or debit card) in and out of the terminal carpark rather than taking a ticket and queuing at the pay station.

**PARK AND RIDE:** Located in Brookes Road, the Airport Park and Ride has up to 300 car parking spaces and is an affordable, convenient transport option for longer term stays.

3) **KNOW BEFORE YOU GO:**

**CHOICE APP:** Plan your route to the airport and around the region via the new real-time Choice app.

**PLAN YOUR JOURNEY:** Use tools like the NZTA journey planner and webcams.

**CHECK THE QUEENSTOWN AIRPORT WEBSITE:**

- Track flights via the real time flight information displayed on the home page
- Check for alerts which highlight weather-related disruptions to multiple flights, carparks nearing capacity and other essential public information, also posted on Queenstown Airport's Twitter account @NZQN
- Find out what facilities and services are available at the airport

**DOWNLOAD THE REVELANT AIRLINE APP:** Go paperless! Apps are good for keeping your flight information in one place and receiving updates if anything changes.

4) **GET READY FOR PASSENGER PROCESSING AT THE AIRPORT:**

**CHECK YOUR DOCUMENTATION:** Speed up your check-in and international processing time by having your documents and completed forms at the ready.

**PREPARE FOR SECURITY SCREENING:** To help make the aviation screening process quick and smooth, have your electronic devices out, check there's nothing in your pockets and, if you're travelling internationally, that all your

5) **RELAX:** We have free WiFi at Queenstown Airport so download entertainment before your flight and then sit back and relax while you wait to be whisked away for the break. Alternatively browse our locally-sourced and made retail and food and beverage offerings while you wait and grab a last minute Christmas gift for that special someone.

Happy travelling from all of us at Queenstown Airport!
